

Frequently Asked Questions

What can I expect when I order from Milano's Catering?

All of our food is prepared to order and is intended to be served immediately. We are somewhat unique in that you can simply order for pick-up or delivery. Our prices are published, and are the same for everyone. There are no hidden costs. In all cases, we will make sure you understand clearly what you are getting, and what it costs. Whether you are trying to figure out how much food to order for an open house, holiday party, birthday party, or wedding reception, we will be attentive to your needs. Please let us know what you are looking for, and we will do our best to provide helpful information.

We can sometimes provide staff and rental equipment for private parties. Please contact us if you are interested in a full service event.

How are the items on your menu packaged, presented, served, etc.?

All of our food are in sturdy catering trays. They are fully garnished and ready to serve. All you must do is open the top. There are some exception and we will let you know at time of order. These platters are disposable.

We are happy to use your platters as well.

Can I change my order once it has been placed?

We are usually able to accommodate changes made at least two days before your event. Let us know when submitting your order if you anticipate making any adjustments. Please note that we consider all orders final one day before the scheduled event date and are not able to make any changes after this time.

What is your cancellation policy?

Please let us know as soon as possible if you need to cancel your order. Orders that are canceled less than two full days before the scheduled event date will be charged 100% of the total invoice. This charge is to cover foods that cannot be used or returned, labor, rental goods, and jobs we may have declined in order to accommodate your event.

Do you do tastings?

Yes, with adequate advance notice we can arrange for you to taste items before you decide to order. In general, we need a week's notice to schedule a tasting. Because we make everything to order, we cannot provide drop-in tasting. We are available for tastings Monday through Thursday, at 3:30 or 4:00 pm only. We charge \$11 per person, maximum of six items. If you decide to place an order with us, we will deduct 50% off the tasting charges from your balance due.

Frequently Asked Questions

How much notice do I need to give for a catering order?

We usually require at least three days' notice for orders. During particularly busy seasons, more notice may be required. In the case of an unanticipated event, such as a memorial, we try our best to respond quickly. In the case of a staffed event, we usually require a couple of weeks.

What is your delivery policy?

We schedule half-hour delivery windows, so let us know what your ideal window would be. Ideally the end of your delivery window should be at least 15 minutes before your guests arrive, so you have time to set up your buffet. When we deliver, we simply drop off the food. If you would like help setting up, please let us know. We must also allow for a longer "set up" window.

We can also provide staff for your event with enough notice.
